Lot 2119 Vineyard Circuit

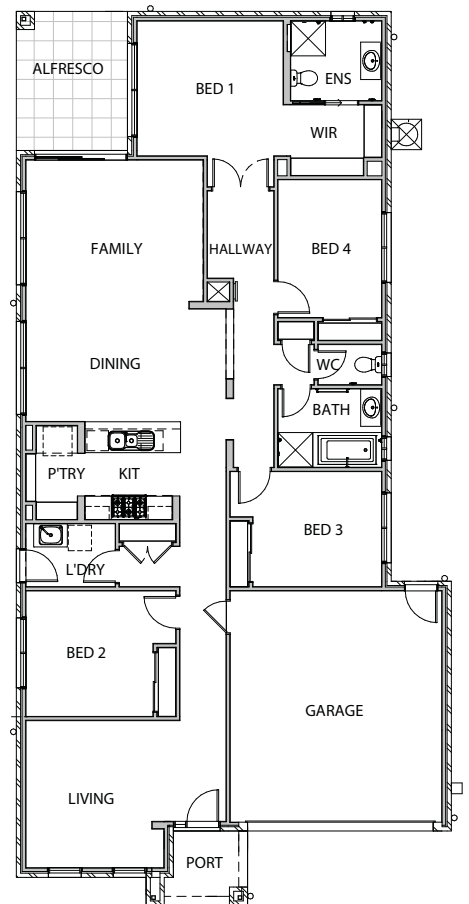

\$699,000

This 4 bedroom Delta 24 Aspire by Metricon is well into construction and will be finished with nothing more for you to do except move in!

It will be complete with blinds, fencing and landscaping including basic irrigation.

Situated on an approx. 612m² allotment the home will feature a wide entry and hallways connecting through the bedrooms and living spaces. It includes an open plan Kitchen, Meals, Family area that flows out to an under roofline Alfresco. The kitchen with its 900mm appliances, ample storage and stone is sure to be an entertainers delight.

A second living space to the front of the home suits an ideal childrens or parents area to retreat from the main living spaces.
